BULLDOG SPIRIT . . .

Across the gridiron, the court, the track field, it welds players and Bulldog fans into a force that takes its stand at the goal line. It is the tenacity that fights against odds, the humility that crowns a victory. It gives heart to the cheerleaders and fans to urge the team on. It lingers after the last play, a part of past and future.

To portray this BULLDOG SPIRIT in action, we give you this 1964 EMPESCOPE, confident that the Bulldog spirit will never die, that its honor will always be upheld, and that the Bulldog's home, Mary Persons, will never be forgotten.

ALMA MATER

Alma Mater, we honor thee.
We pledge anew love and loyalty,
A loyalty to the Black and the Gold.
Hail to the dearest school of all,
The scene of happy days.
Hail to our Alma Mater;
Her praise we'll sing always.
Loyal sons and loving daughters
May we ever be;
Standards high we will uphold
To Mary Persons' Black and Gold.

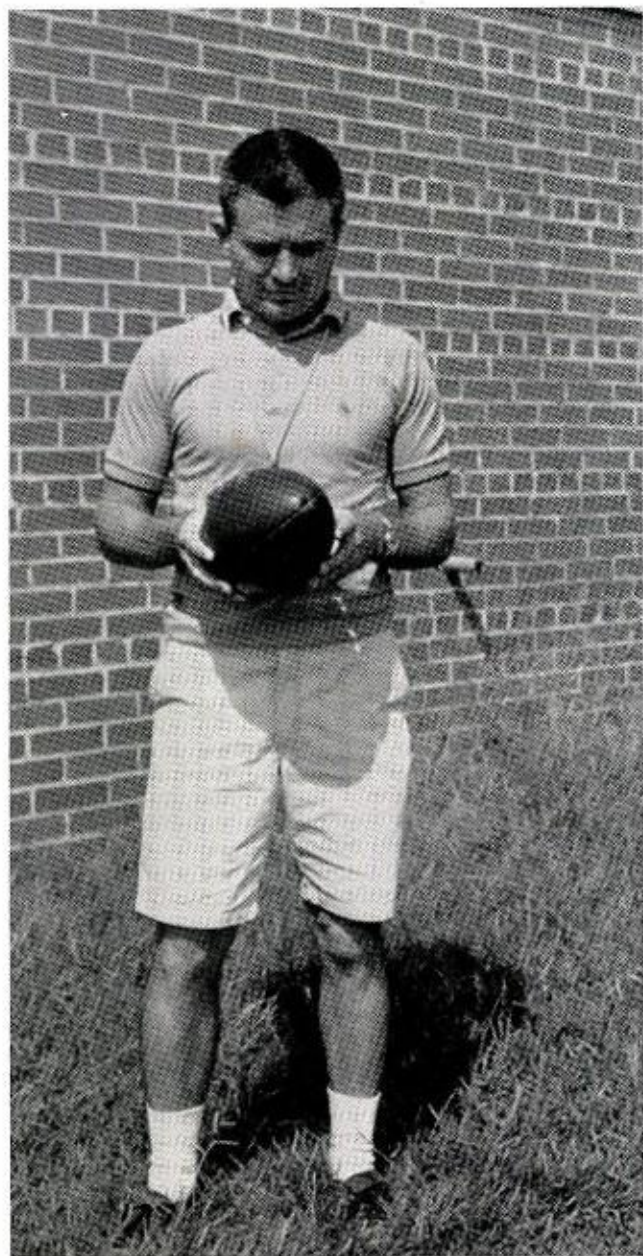

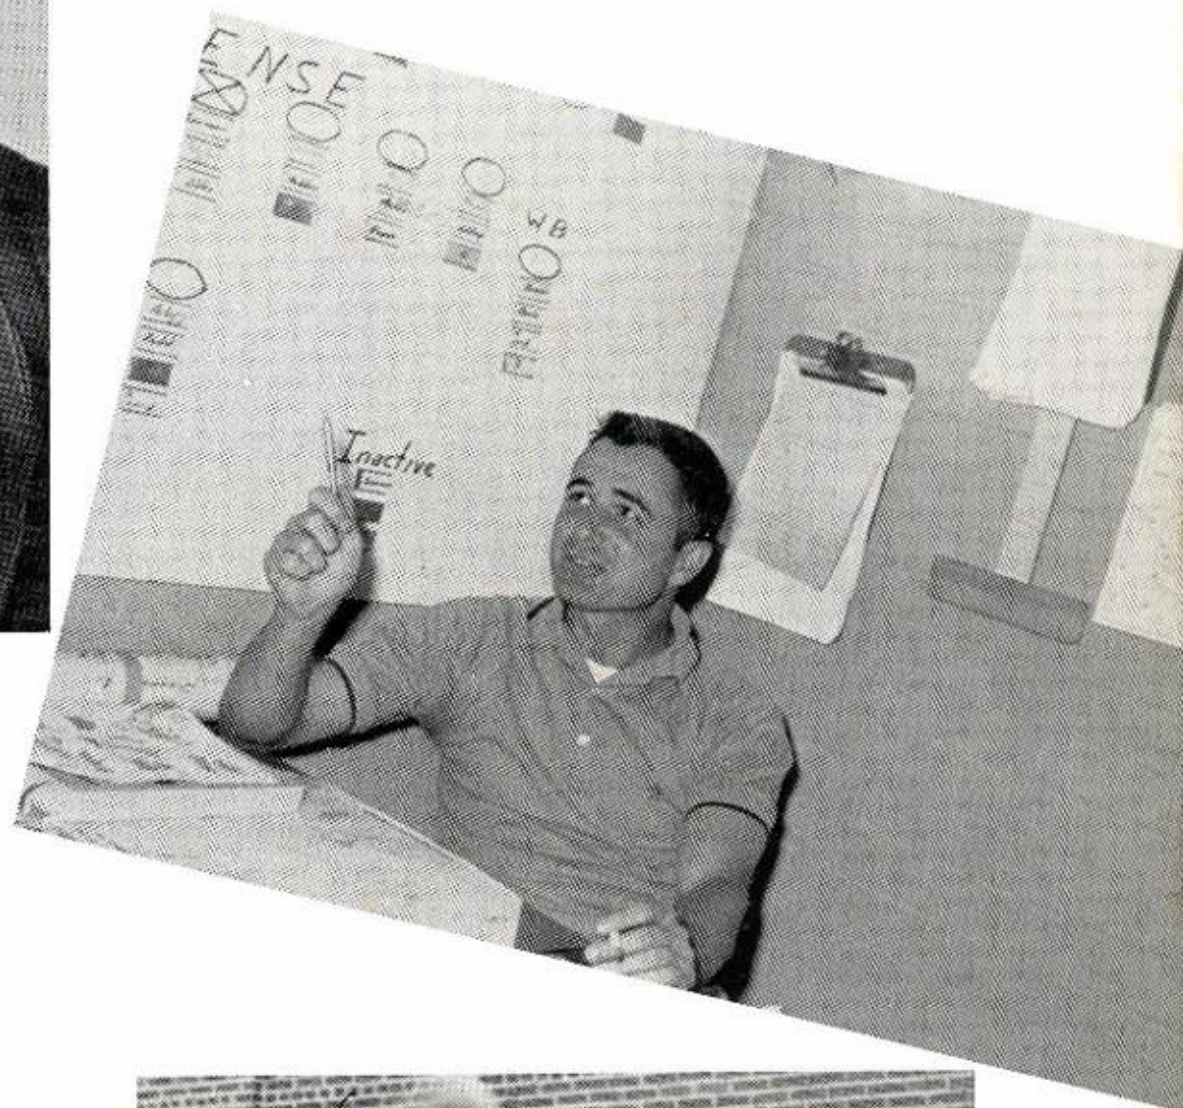

DEDICATION

In appreciation of his cheerful manner, enthusiasm, good sportsmanship, and hard work we affectionately dedicate the 1964 Empescope to our coach

DAN PITTS

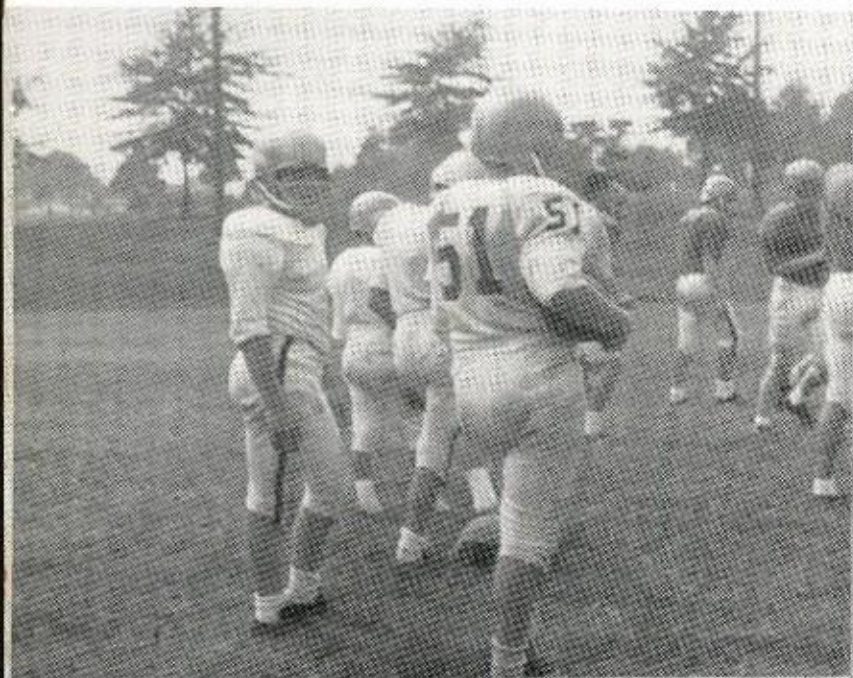

a friend, a gentleman, and a true "Bulldog."

MONROE COUNTY BOARD OF EDUCATION

COUNTY SUPERINTENDENT

You accepted the challenge - You have achieved your goal - May I congratulate you, "Seniors of '64!"

I assure that we shall continue to be interested in you as you face new challenges.

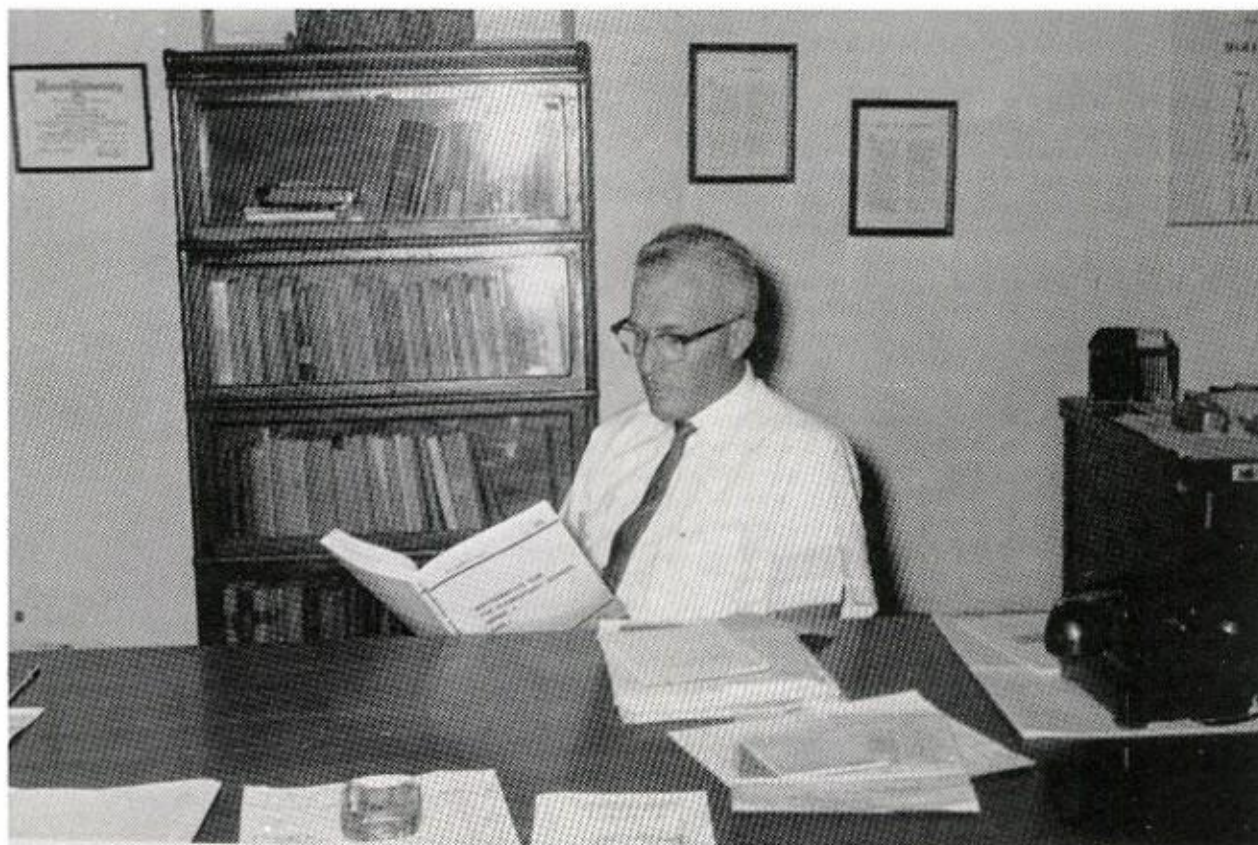

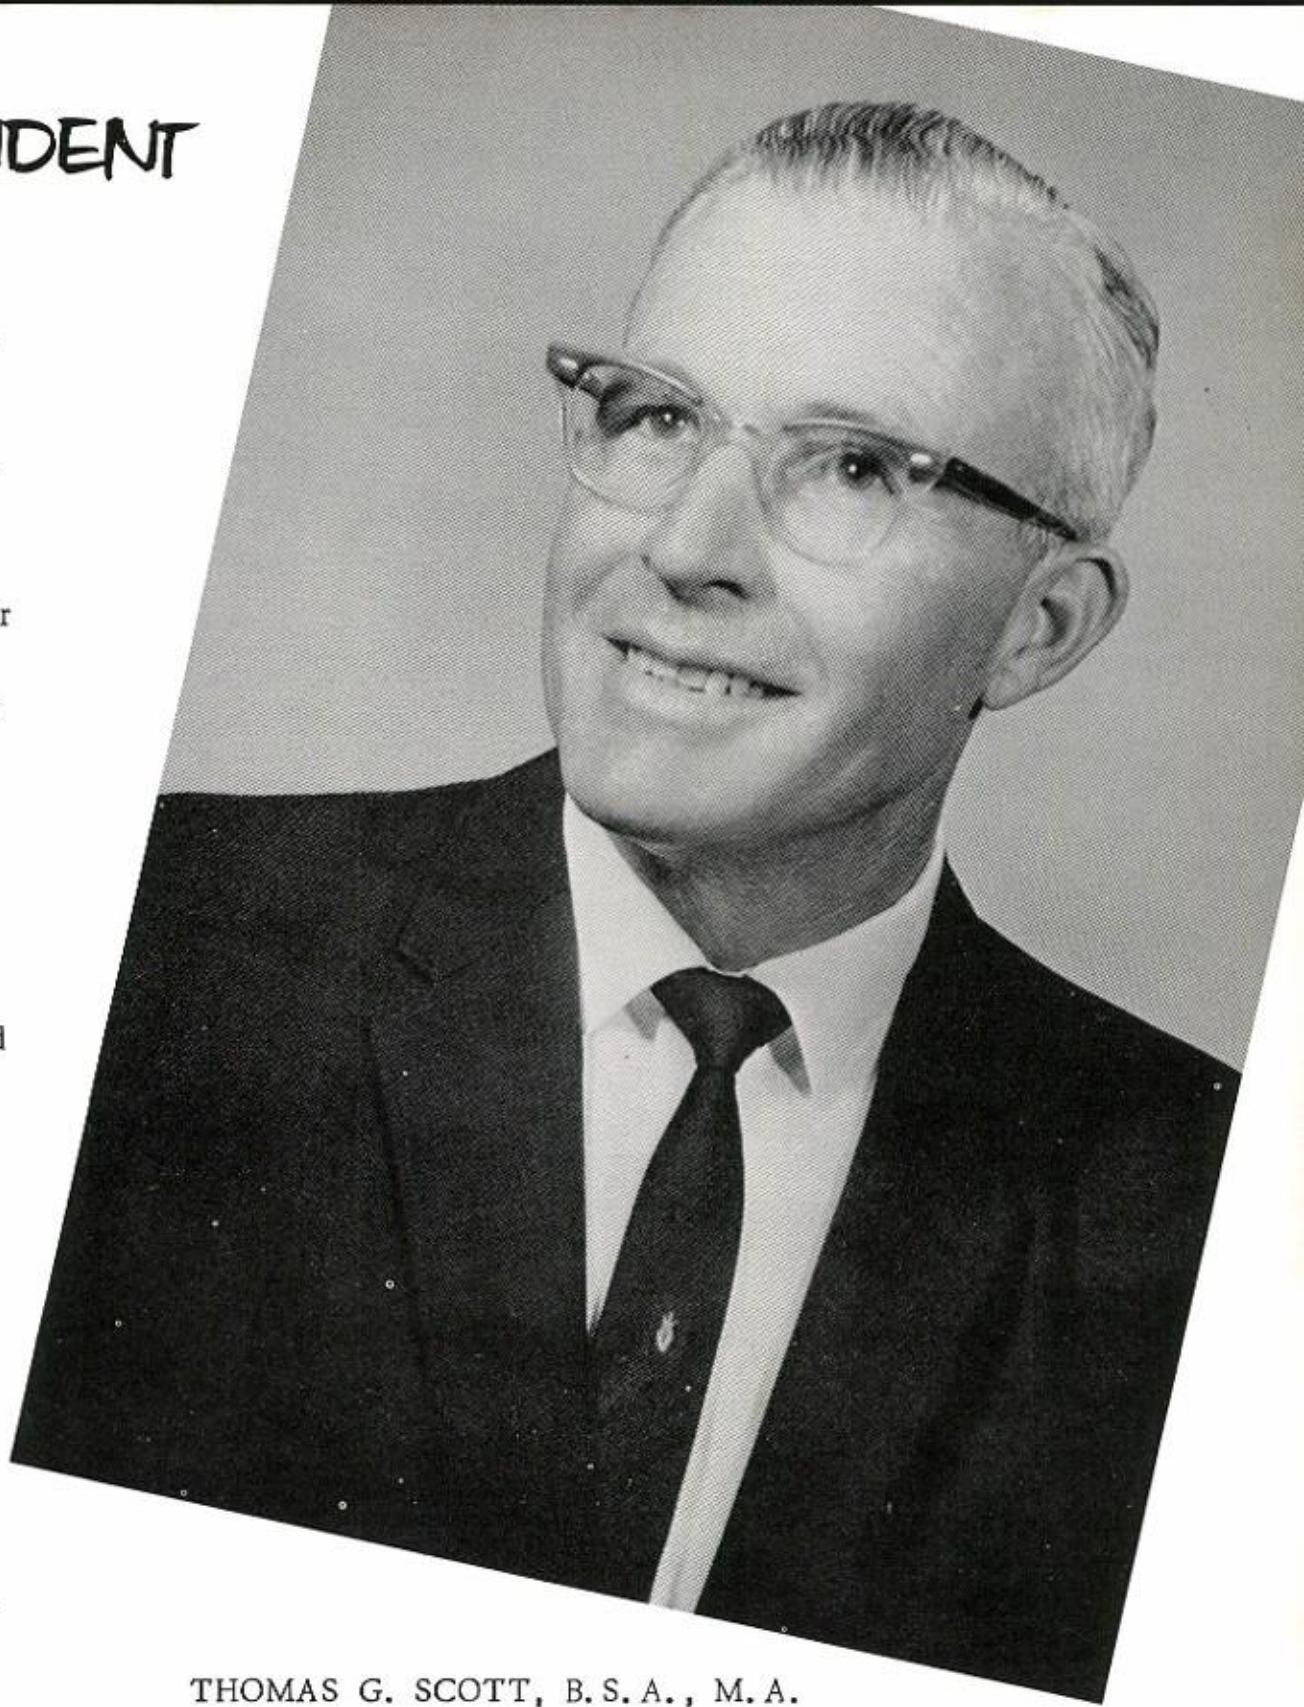

You have now, in a sense, opened the door to your life. What the future holds depends largely on you. There is no straight and easy path along which one travels the road of life. Success, satisfaction, and happiness are the points toward which we travel, although the route is neither smooth nor clearly marked. Markers along the way may be contradictory, but your education, if properly applied will assist you in making the proper choice. Good luck as you make your choices.

Finally, I would say to you in the words of J. G. Holland

"Character must stand behind and back up everything - the sermon, the poem, the picture, the play. None of them is worth a straw without it."

PRINCIPAL

The world is watching us to see if we can meet the challenge of today. Much will depend upon the wisdom of those whom we choose as our leaders. But our future cannot be made safe by our leaders alone--the future is in the hands of each of us as individuals. Is it possible for an individual to hinder the growth of his country? I believe that it is. We hear a great deal today about our "rights,"--political, civil, and religious,--but we hear little about our duties or obligations. These rights can be ours only if we accept the responsibilities that go with them. Let us remember then, that we as individuals enjoy our political, civil, and religious rights, but our obligations are as great as our rights.

CHAMPIONS

Tony Pryse, senior, must be named champion among champions for this year. He is the Mary Persons High School Star Student because of his excellent scores on both verbal and math sections of the December CEEB, but he went even further. He made the highest scores yet made by a Mary Persons student. Tony is also a finalist in the National Merit Scholarship competition, and a runner-up in the competition sponsored by the National Council of Teachers of English.

He has other fame as a champion. He won the district competition for the privilege of representing the state of Georgia in the United States Senate Youth Program. He also received two NEDT Awards and the University of Georgia Merit Award. He was a member of the debate team that won the state trophy in 1963.

Outstanding performances are not new to Tony. He was selected to participate in two National Science Institutes at Emory University. At Mary Persons School he has been active in the National Honor Society, the Beta Club, the Y-Club, the Literary Society, and the Student Council. He has represented his school in debate, declamation, boy's essay and at Boy's State. He is co-editor of the Merry-Go-Round. Tony has held a number of offices and has been a class superlative for four years. Throughout all this activity he has maintained an "A" average.

Richard Verzyl is another Mary Persons High School champion. He is a finalist in the National Merit Scholarship competition and also a semi-finalist in the National Honor Society Scholarship competition. This latter honor has never been brought home to Mary Persons High before and is based on the high scoring done on the Preliminary Scholastic Aptitude Test which is administered here at Mary Persons School in October of each year.

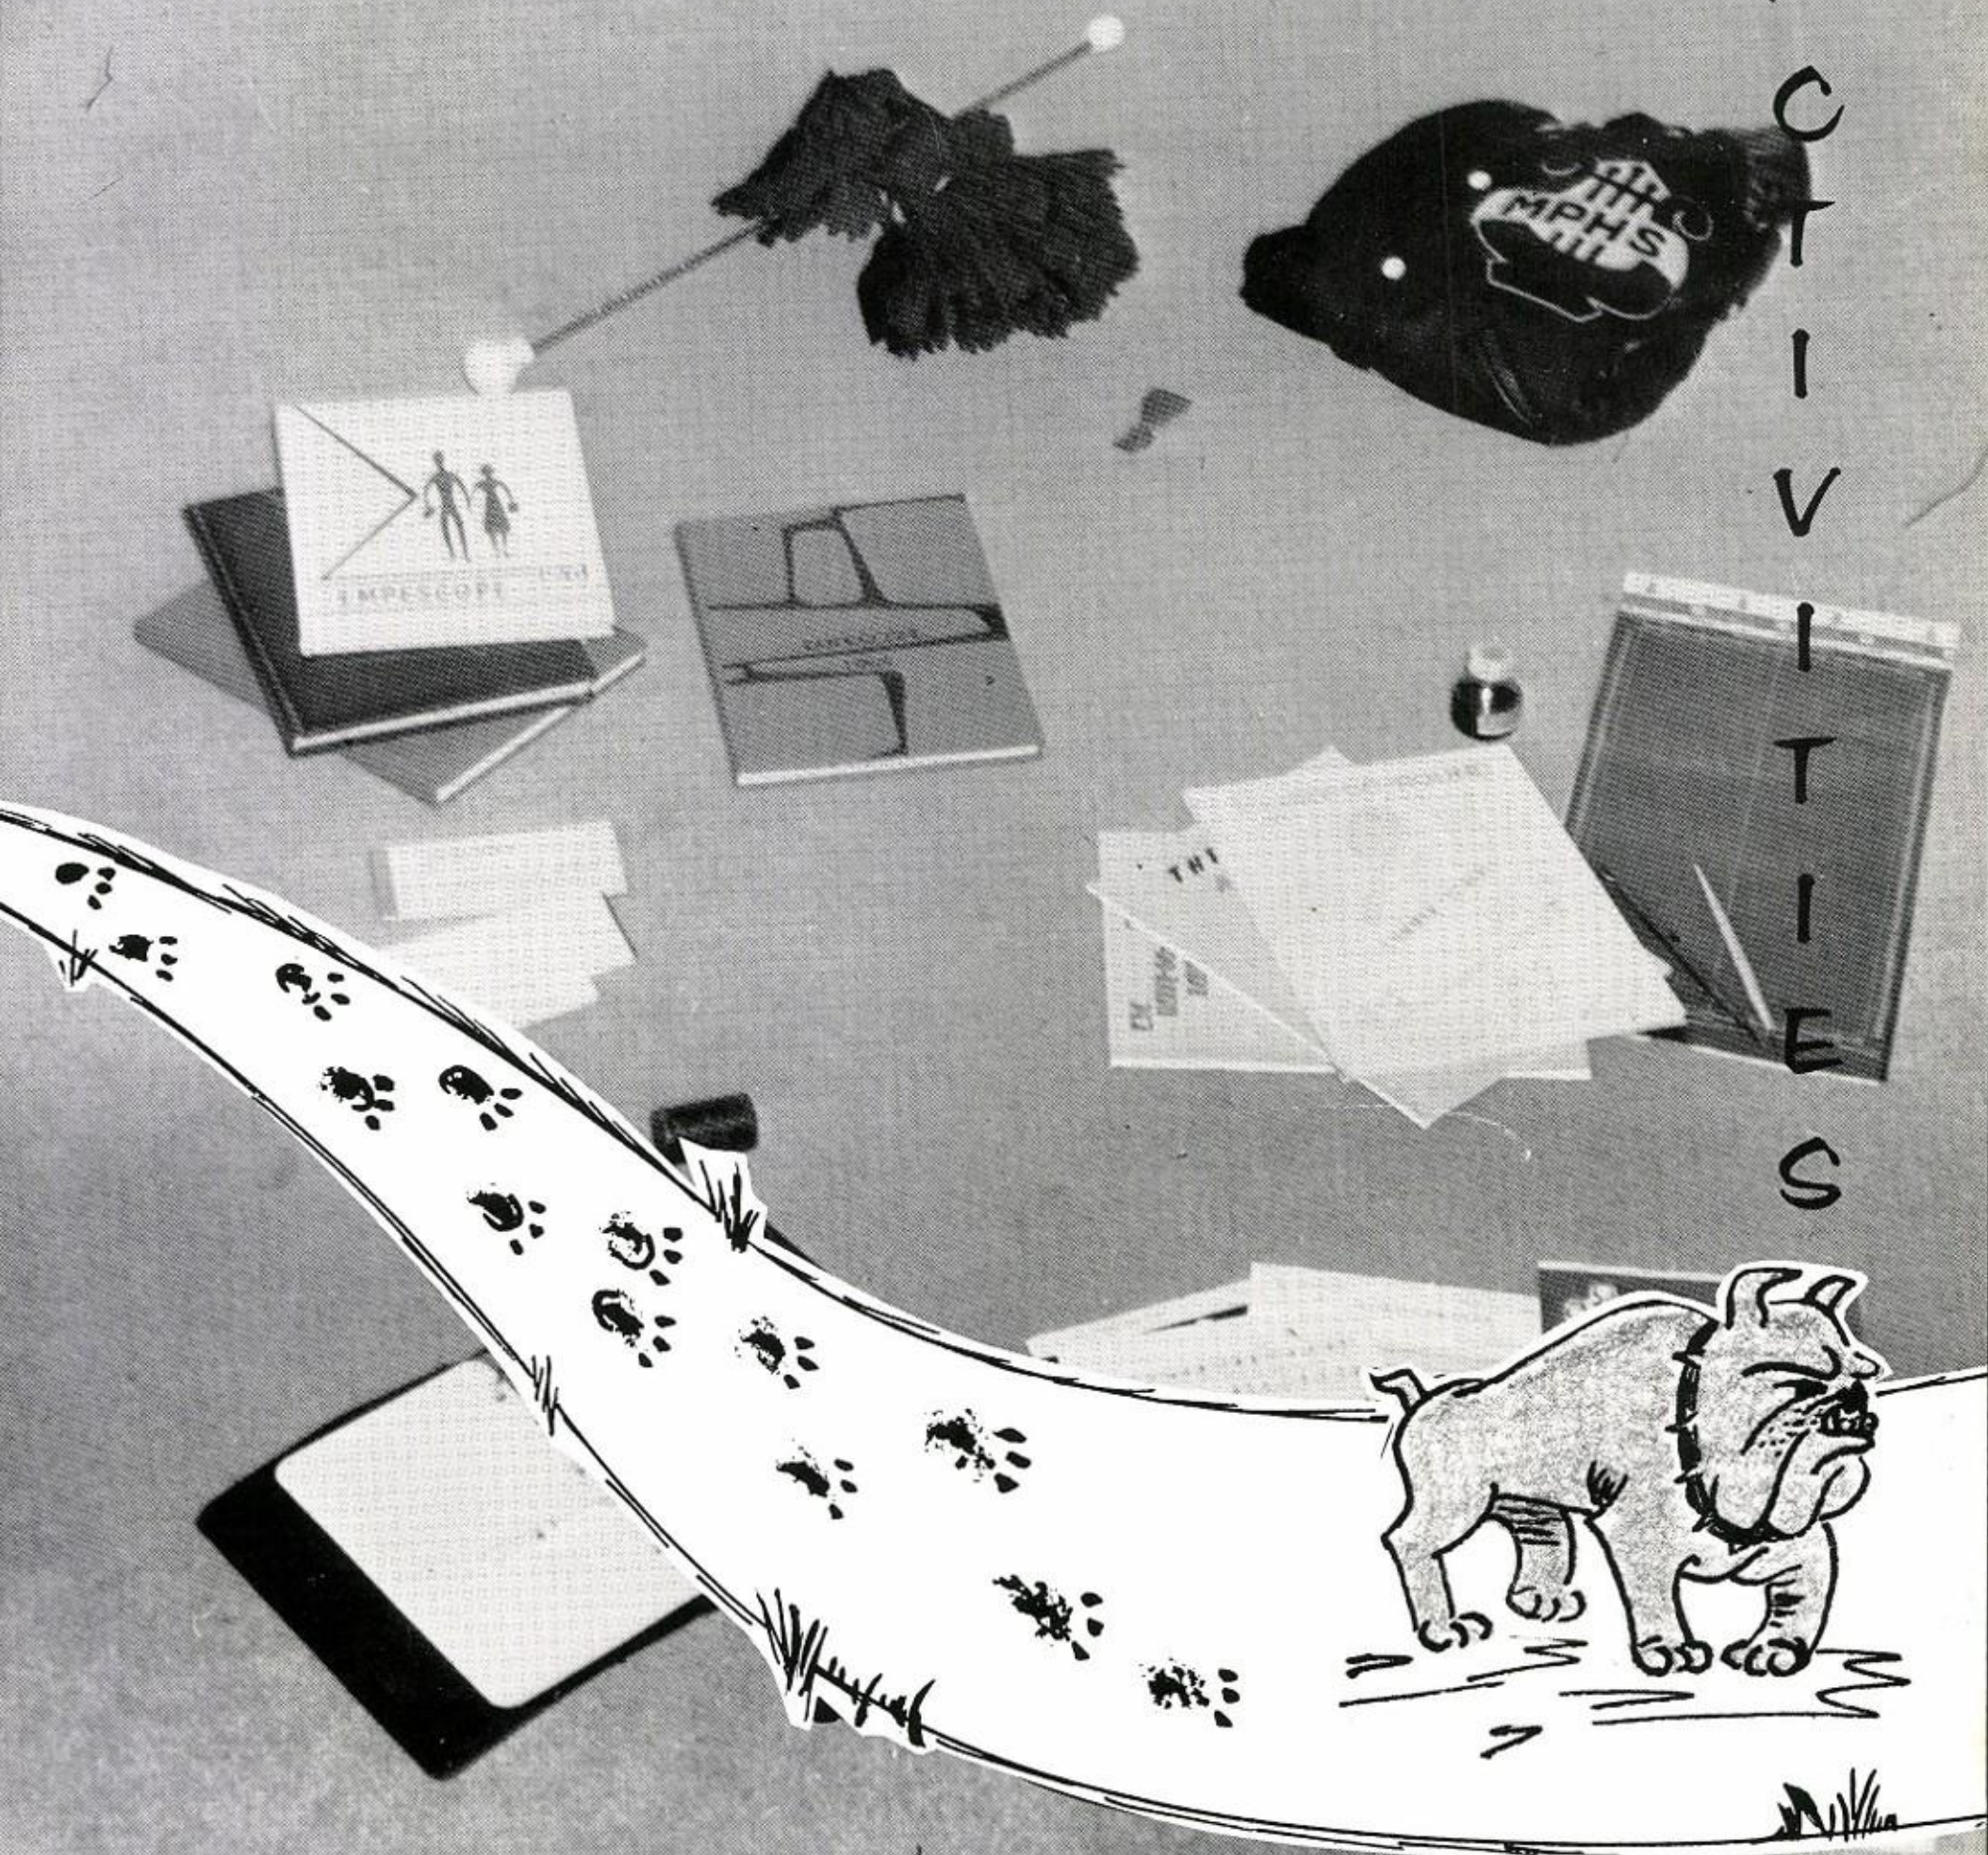

"Chuck," as he is affectionately called by everyone, has many other honors. He participated in the Emory University National Science Institute, has won two NEDT Awards, The University of Georgia Merit Award, three honor certificates for his "A" average, and was a member of the debate team that won the state trophy in 1963. He has been a member of almost all school clubs, including the National Honor Society, the Beta Club, Y-Club, Pep Club, Literary Society, Student Council, and has held offices in many of them. He is co-editor of the Merry-Go-Round, and has been a class superlative for four years.

Lee McGee is another champion at Mary Persons. In addition to being one of the school's outstanding athletes, Lee was elected state president of the Georgia Beta Clubs. This is a fine symbol of the fact that Lee combines great physical prowess and excellent mental achievement. He has been captain of the football team for two years and was voted the best offensive player in his junior year. Lee is also president of the Student Council and president of the Senior Class. Both of these are outstanding honors. He has been active in a number of clubs including National Honor Society, Y-Club, Beta Club, and the Pep Club. He has won two NEDT awards for high scores on this national test.
